

ELKESLEY PARISH COUNCIL

Safeguarding Policy

Introduction

In the interests of child protection and the welfare and protection of adults with care and support needs, the Parish Council is committed to ensuring that children and adults with care and support needs are protected and kept safe from harm whilst they are engaged in any activity associated with the Parish Council.

Policy Objective:

- To ensure that, where possible, all facilities and activities offered by the Parish Council are designed and maintained to limit risk to children and adults with care and support needs.
- To promote the general welfare, health and development of children by being aware of child protection issues and to be able to respond where appropriate as a local government organisation.
- To develop procedures in recording and responding to accidents and complaints and to alleged or suspected incidents of abuse and neglect.
- As the Parish Council does not directly provide care or supervision services to children and adults with care and support needs, it expects all children and adults with care and support needs using its facilities to do so with the consent and the necessary supervision of a parent, carer or other responsible adult.

- Highlighting to all new councillors the existence of the Safeguarding Policy and where it can be found ELKESLEY PARISH COUNCIL
