

## **ELKESLEY PARISH COUNCIL**

### **Occasional Grant Policy**

Elkesley Parish Council is committed to supporting local community groups that help to make a positive difference to Elkesley.

Our vision is for Elkesley to be a desirable place to live and visit, to have a safe, active, healthy and sustainable community. The Parish Council aims to improve the quality of life in Elkesley through encouraging an active, healthy and safe community.

A grant is any payment or gift made by Elkesley Parish Council to an organisation for a specific purpose that will benefit the Parish, or residents of the Parish, and which is not directly controlled or administered by the Parish Council. Elkesley Parish Council follows the established Local Government Act 1972 Section 137 criteria when assessing requests for grants. The Law requires that Section 137 grants must be “In the interest of or will directly benefit the area or its inhabitants, or of part of it, or some of it” and “the direct benefit should be commensurate with the expenditure”. The Parish Council will also consider:

- How well the grant will meet the needs of the community.
- How effectively your group will use the grant.
- Whether the costs are appropriate and realistic.
- The level of available reserves held by the organisation.
- Whether realistic levels of contributions have been or are being raised locally.
- Whether the applicant could reasonably have been expected to obtain sufficient funding from a more appropriate source.
- How the group is managed.

These considerations will apply when considering all grant applications. Preference will be given to applications that can demonstrate they have successfully sought or generated funds elsewhere and are not solely reliant on a grant from Elkesley Parish Council.

The Parish Council awards grants, at its absolute discretion, to organisations which can demonstrate a clear need for financial support to achieve an objective which will benefit the Parish by:

- Providing a Service, Enhancing the quality of life, improving the environment, and promoting the Parish of Elkesley in a positive way.
